

# 3200 & 3400 Series Utility Vehicle Accessories

Model Year 2011-2014

## Cargo Box Accessories

### Power Lift Assist

Add Power Lift Assist to your cargo box to easily dump cargo from your cargo box. Replaces lift assist shock. Kit includes actuator and switch. (Standard equipment on vehicles equipped with the deluxe package.)

**7194747** Models: 3400, 3400XL, 3450  
**7196906** Models: 3200

### Chain Saw Mount

Transport your chainsaw by adding a chainsaw mount to the cargo box. System utilizes Integrated Accessory Mounting system on the Cargo Box. Kit includes accessory anchor.

**7196041**

### Tool Holder Kit

Transport hand tools safely and neatly by adding the tool holder kit. Easily attached and detaches with the integrated accessory system. System utilizes Integrated Accessory Mounting system on the Cargo Box. Kit includes accessory anchor.

**7196043**

### Cargo Box Divider

Keep your cargo separated by adding a divider to your cargo box. System utilizes Integrated Accessory Mounting system on the Cargo Box. Kit includes accessory anchor.

**7196051**

### Cargo Box Wall Extension Kit

Add height to haul your cargo. The wall extension kit consists of four individual sides that mount to the cargo box to add additional height. System utilizes Integrated Accessory Mounting system on the Cargo Box. Kit includes accessory anchors.

**7194765**

### Dual Gun Scabbard Mounting System

Transport firearms safely when you add this accessory to your cargo box. Holds two gun boots (not included). System utilizes Integrated Accessory Mounting system on the Cargo Box. **7195887**

### Black Gun Boot

Inner removable, shock absorbing foam and rugged nylon liner for superior interior protection. Hard outer case features ergonomic handle and sling attachment points. Accommodates left and right hand bolt action rifles and shotguns and ample room for 50mm scopes and even rifles with slings attached.

**6988959** (Not shown)

### Camouflage Gun Boot

Offers same features as black gun boot in Mossy Oak® New Breakup® patterned hard case.

**6988960**

### Stereo Kit

The Bobcat Heavy Duty Stereo system is the perfect way to add entertainment to your utility vehicle. Kit includes radio, speakers, enclosures, antenna & mounting hardware.\*

**6989016** Models: 3200, 3400 & 3450  
**6989017** Model: 3400XL

### Bench Seat

If you prefer a bench seat over bucket seating, a bench seat option is available to you. Kit includes bench seat bottom, bench seat back & center lap seatbelt.

**7195885** Models: 3200, 3400 & 3400XL

### Nerf Bar Kit

Nerf bars provide additional protection for the sides of your vehicle, along with a step to assist when entering or exiting the vehicle. Bolts to vehicle frame.

**7194761** Models: 3200, 3400 & 3450

### Strobe Light Kit

Make your vehicle more visible to others by adding a strobe light. Easily mounts to cab frame, sport roof or steel cab, not compatible with canvas cab.\*

**7193346**

#### B. Sport Roof

Three piece system attaches together to provide overhead protection to cab.

**7194725** Models: 3200, 3400 & 3450

**7226408** Model: 3400XL

#### C. Front Brushguard

Tough, durable, and corrosion-resistant steel guard offers great protection to the front end of the vehicle, helping to protect against debris, brush and branches. Includes brush guard assembly and hardware.

**7194763** Models: 3200, 3400, 3400XL

#### D. Polyethylene Windshield Kit

Protect cab occupants from wind, bugs, and debris. Works with sport roof or canvas cab.

**7194735**

#### A. Poly Cab Kit

Bobcat Cab system with integrated vehicle design and superior fit and finish. Hard paneled cab enclosure system constructed from TPO offering industry best weather seal for extreme weather conditions. Heavy duty steel framed modular door system with removable upper door sections provides half door configuration option. Removable Lower door TPO panels allows users to operate the doors in an open framed configuration for open air driving (no tools required)

**7230566**

Models:  
3200, 3400,  
3450

#### Tip-Out Glass Windshield

Includes front steel cab panel and tip-out glass.

**7196038** (Not shown)

#### Wiper Kits

Get a clear view of your travel path during inclement weather. Choose from fixed or tip-out single speed styles.

**7194737** Fixed Windshield

**7194739** Tip-Out Windshield

#### Steel Cab Kit

Built to last and constructed of premium steel, kit includes steel roof, rear panel & doors. Installation requires fixed or tip-out glass windshield and heavy duty front springs. Not available for extended cab models.

**7194729** Models: 3200, 3400, 3450

**Fixed Glass Windshield** Includes front steel cab panel and fixed glass.

**7196037**

#### E. Snow Plow

The Bobcat all-in-one snow plow makes pushing light snowfall fast and convenient. Kit includes mounting frame, angle frame, 72 inch blade, lift actuator, and shift knob controller.

Heavy duty front springs recommended.

Not compatible with Winch kit.

**7194787** Models: 3200, 3400 & 3400XL

#### Heavy Duty Front Springs

Recommended as replacement springs when installing a steel cab enclosure or snow plow on your utility vehicle.

**7016703** Models: 3200, 3400

#### Black Rim

If you like the look of black rims, these are the perfect addition to your utility vehicle.

**7020328** 12 x 6, (Front axle)

**7020329** 12 x 8, (Rear axle)

#### For Steel Rim:

**7016496** Lug Nut

**7016772** Lug Nut Washer

**7016743** Valve Stem

#### Aluminum Rim

Add a custom look to your utility vehicle with aluminum machine clear coat wheels and custom Bobcat logoed wheel caps. Wheel design incorporates the light weight construction of a cast aluminum wheel with a simulated beadlock. Not for use on model 3450.

**6989000** 12 x 7 (Front axle)

**6989001** 12 x 8 (Rear axle)

**6989002** Bobcat Chrome Wheel Cap

**6989003** Set of 4 Chrome Lug Nuts

**6988433** Set of 4 Chrome Valve Stems

## RapidLink™ Attachments

#### RapidLink 60" Mower

60 inch cutting width, 13 hp. Briggs & Stratton Industrial/Commercial engine with electric start and an electric blade clutch. Height range 2 inches to 5.5 inches. Rear discharge, single belt drive runs three 22 inch blades with 2 inch overlap.

**7127214** Model: 3450

#### RapidLink Pallet Fork

Pallet fork offers a 500 lb. lifting capacity and features 36 inch long tines. Manually adjustable tine width. Also features floating forks.

**7120346** Model: 3450

#### RapidLink Bucket

The RapidLink bucket is 60 inch wide and offers a 500 lb. (1/3 yard) capacity with a 2 ft. lifting height.

**7120326** Model: 3450

#### RapidLink Snow Blade

Quickly pushes snow and other material aside. 68 inches wide, 30 degree left or right angle.

**7127341** Model: 3450

### Winch Kit

The Bobcat winch has 4,500-lb. rated pull to handle a variety of tasks. Kit includes winch, mounting bracket, harness and controller. Not compatible with snow plow kit.

**7215327** Models: 3200, 3400 & 3400XL

### Horn Kit

Adding a horn can be a great safety addition to help alert others around you. Includes horn and dash mounted button.

**7194775**

### Grab Handle

Make entering and existing a little easier by adding grab handles.

**7194742**

### Realtree Max-4® Camo Kit

The Max-4 camo pattern offers maximum effectiveness as waterfowl camo in any open terrain—without geographical limitations. Kit includes camo hood bonnets and all decals needed to convert utility vehicle.

**7209520**

### Cab Heater Kit

Keep your enclosed cab warm. Kit includes blower, manifold heater, hoses and ducting. Features two speed fan (high/low.)

**7194719** (Gas Engine)

**7194721** (Diesel Engine)

### Canvas Soft Top Cab Kit

Includes canvas top, rear section & doors. Polyethylene windshield kit is also required for canvas cab installation. \*\*Non-compatible accessories.

**7194727** Models: 3200, 3400 & 3450

**7194733** Model: 3400XL

### Windshield Defroster

Visibility is important in inclement weather. Keep your windshield free of internal moisture by adding a defroster.

**7194757**

### Block Heater

(Diesel Engine Models)

Improve cold starts and start up lubrication of your diesel engine by adding a block heater.

**7194783** Models: 3400, 3400XL & 3450

### Turn Signal & Flasher Kit

Includes turn signals for the front and rear of utility vehicle. Includes: front turn signal lights, harness and column mounted control switch.\*

**7193349**

### Rear View Mirror Kit

Add a rear view mirror to assist in the safe operation of your vehicle. Kit includes internal rear view mirror and mounting hardware. Mirror mounts to cab frame.

**7194785**

### Speedometer

Speedometer mounts in center of dash. Features both speedometer and odometer readouts.

**7194723**

### Work Lights

Front or rear work lights can be mounted to cab frame, canopy, or steel cab.\*

**7193439**

### Back-up Alarm Kit

Whether required or added as an additional safety measure, a back-up alarm helps to alert others to your backing vehicle.

**7194751**

### Purifier Muffler

(Diesel Engine)

Add an exhaust purifying muffler when better exhaust purification is needed to meet emission requirements. No modification is required to replace the standard muffler.

**7017066**

### MY12 & MY13 MPH Kits

Available for Model year 2012 & 2013 utility vehicles.

**7225993** - Gas 25 MPH Speed Limit

**7225995** - Gas 35 MPH Speed Limit

**7226215** - Gas XL 35 MPH Speed Limit

**7210403** - Diesel 25 MPH Speed Limit

**7225994** - Diesel 35 MPH Speed Limit

**7226214** - Diesel XL 35 MPH Speed Limit

### Side Mirror Kit

Kit includes 2 external mirrors & mounting hardware. Side mirrors mount to cab frame or steel cab, not compatible with canvas cab.

**7193415**

### Terminal Block Relocation Kit

Required kit for use with any electrical accessory installed on a diesel equipped vehicle.

**7193880**

### Hydraulic Angle Kit

Kit includes necessary hardware and hydraulic lines to attach the RapidLink broom and/or snow blade to the male/female couplers of auxiliary hydraulics. Kit enables the operator to angle blade/broom from the operator's seat, rather than having to angle the attachments manually. Includes cylinder & hoses for use with auxiliary hydraulic on model 3450.

**7129850** Models: 2300, 3450

### Turf Tire

In the park or on the farm, this turf tire provides rider comfort with maximum performance. Turf tires are great for landscaping applications with little damage to the ground you are working on.
